Affordable Housing Lottery

This packet contains specific information on the affordable housing program as well as background, eligibility requirements, selection priority categories, and application process for the affordable condominium homes being offered through this lottery for Hometown Estates in the Town of Swansea.

Hometown Estates and the Town of Swansea invite you to read this information and submit an application if you think that you meet the eligibility requirements. This lottery is the first step in the application process and does not assure you a unit.

The first affordable home should be ready for occupancy in Summer of 2021.

APPLICATIONS MUST BE DELIVERED BY 2 PM ON MAY 7TH, 2021

Please see the cover page of the application for the location where the application can be mailed, emailed or faxed. This information is also on the signature page of the application.

GENERAL OVERVIEW AND SALES PRICES

This is a lottery for the 4 affordable duplex condo homes being built at Hometown Estates in Swansea. These 4 homes will be sold at affordable prices to households with incomes at or below 80% of the area median income. The first affordable homes should be ready for purchase by Summer of 2021.

Three affordable homes at Hometown Estates have two-bedrooms and one affordable home has three-bedrooms. All affordable homes are approximately 1,397 sqft (including garage) and have 2.5 bathrooms. Each home has a 8'x14' concrete paver deck in the rear. Laundry room hook ups located on second floor. Kitchens, Laundry and bathrooms have vinyl floors, kitchens have granite counter tops, baths have one-piece cultured marble tops and sinks. Living, Dining rooms, stairs and bedrooms are carpeted. All homes have central gas heat, town water and septic system. One car garage with opener, 2 uncovered parking spaces.

# of Affordable Units	Lot #s	Affordable Sales Price	Monthly HOA Fees*	Bedrooms	Bathrooms	Parking Spots	Square Footage <i>*(subject to change during construction)</i>
3	1, 8 & 9	\$195,000	\$147/mo*	2	2.5	1 Garage, 2 surface spots	1,397 sqft
1	14	\$216,800	\$163/mo*	3	2.5	1 Garage, 2 surface spots	1,397 sqft

*Monthly condo fees cover maintenance and care of the development's common areas which include landscaping, snow removal and trash removal.

All affordable units will have a "Deed Rider" that will be filed with the deed at the time of purchase. This Deed Rider limits the amount that the unit can be resold for and requires the resale to another income-eligible buyer. The Deed Rider insures that the unit stays affordable in perpetuity. We recommend that potential buyers review the Deed Rider with an attorney so as to fully understand its provisions. For more information on the Deed Rider and resale restrictions please see the Deed Rider Summary in the last section of this Information Packet.

Since it is anticipated that there will be more interested and eligible applicants than available units, the Developer will be sponsoring an application process and lottery to rank the eligible applicants for the program. The application and lottery process, dates, and eligibility requirements can all be found within this Information Packet. Hometown Estates does not discriminate in the selection of applicants on the basis of race, color, national origin, disability, age, ancestry, children, familial status, genetic information, marital status, public assistance reciprocity, religion, sex, sexual orientation, gender identity, veteran/military status, or any other basis prohibited by law. Persons with disabilities are entitled to request a reasonable accommodation in rules, policies, practices, or services, or to request a reasonable modification in the housing, when such accommodations or modifications may be necessary to afford persons with disabilities an equal opportunity to use and enjoy the housing.

GENERAL ELIGIBILITY REQUIREMENTS

Q: Who is eligible to apply for the affordable units?

A: In order to qualify for an affordable unit, households must meet each of the following criteria:

- Everyone in the household must qualify as a “first time homebuyer”. Households who qualify for the homeowner exception (see below) must sell the home prior to closing on an affordable home at Hometown Estates.
- The entire household’s income and assets must be below the maximum allowable income and asset limits (see pg. 6)
- Households must be pre-approved for a mortgage (see pg. 9)
- Households, or their families, cannot have a financial interest in the development and a household member cannot be considered a Related Party.

Q: Who is a “first-time home buyer”?

A: A person is a “first-time homebuyer” if no person in his or her household has, within the preceding three years, either owned the house they lived in or owned an interest in one or more other houses, such as through joint ownership. Exceptions may be made in the following instances:

1. A displaced homemaker: A displaced homemaker is an individual who is an adult who meets ALL the following criteria:

- Has not worked full-time, full year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family
- Owned a home with his or her partner or resided in a home owned by the partner
- Does not own the home previously owned with a partner
- Is unmarried to or legally separated from the spouse

2. A single parent, where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of whom they have custody or joint custody, or is pregnant).

3. An age-qualified household (in which at least one member is age 55 or Over) which is selling a home in order to purchase an affordable unit.

4. A household that owned a property that was not in compliance with State, local or model building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure.

5. A household that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations.

Q: What are the income and asset eligibility requirements?

A: Please see the following pages for the details on allowable household income and assets.

Q: If someone in my household is age 55 or over can I currently own a home?

A: Yes. However, you will not be given the opportunity to purchase an affordable home here until your current home is under a Purchase and Sale Agreement. For more information on how much time you will be given to sell your home see the Step-By-Step Process. For how much equity you are allowed to have in your current home, please see the Asset Limits in the following pages.

Q: Can I apply for this lottery as a displaced homemaker or single parent if I currently own a home?

A: Yes. However, you will not be given the opportunity to purchase an affordable home here until your current home is under a Purchase and Sale Agreement. For more information on how much time you will be given to sell your home see the Step-By-Step Process. For how much equity you are allowed to have in your current home, please see the Asset Limits in the following pages.

Q: Does my separation or divorce have to be finalized when I apply?

A: Your separation or divorce does not need to be finalized when you *apply for the lottery* but it must be finalized *before you reserve a home*. You will not be allowed to purchase an affordable home until your separation or divorce is complete because the terms specifying the allocation of assets and custody of children must be finalized so that your income and asset eligibility can be accurately reviewed. If you have only filed for separation when it comes time to purchase an affordable home and you haven't finalized your divorce, you will not be allowed to purchase a home at that time. Therefore, you should try to expedite all divorce/separation hearings as your divorce/separation will need to be finalized in the next few months.

Q: If I reserve a home and then a home that was not available when I was selecting my home becomes available, can I "switch" my home for this newly available home?

A: No. If you are given the opportunity to reserve a home, you are allowed to pick from all the available homes at that time. It does not entitle you to pick any home that may become available at any point in the future (specifically because another household was unable to close). Once you have reserved your home, you may not swap that home for another home.

MAXIMUM INCOME AND ASSET LIMITS

Q: How is a household's income determined?

A: A household's income is the total anticipated amount of money received by ALL members of the household over the next 12 months (starting from the date of application and projecting forward 12 months) based on their current income and assets. In an effort to provide as accurate an income estimation as possible, the Lottery Agent will also review historical income data to provide a basis for future income estimates. Any monies you anticipate receiving in the next 12 months will be counted as income and monies received over the previous 6 months will be analyzed to help estimate future income. This includes, but is not limited to, Social Security, alimony, child support, overtime pay, bonuses, unemployment, severance pay, part-time employment, matured bonds, monies to be received in court settlements, and actual or imputed interest and dividends on bank accounts and other assets. ALL SOURCES OF INCOME ARE COUNTED with the exception of income from employment for household members under the age of 18 and any income over \$480/year for full time students who are dependents (but note that all such income must still be documented even if it is exempt from the household income calculation).

It will be assumed that all applicants will continue to receive any monies they have received over the past 12 months unless supporting documentation proves otherwise. It is also not up to the household to determine what monies received over the past year should and should not be counted as their calculated income. Therefore, all monies should be listed on the application and the inclusion of these monies in determining a household's eligibility will be based on affordable housing guidelines.

Households must submit their 3 most recent tax returns.

Maximum Allowable Income

To be eligible to apply for purchasing an affordable unit, the combined annual income for all income sources of all income-earning members in the household must be at or below eighty percent of median income for the local area (Providence-Fall River HMFA) as determined by HUD for 2020. These limits might vary from year to year. The maximum incomes allowed for this program are:

<u>Household Size</u>	<u>Income Limit</u>
1	\$48,750
2	\$55,700
3	\$62,650
4	\$69,600
5	\$75,200
6	\$80,750

Approximate Minimum Income

While there is no specific minimum income, all households must qualify for a mortgage loan to purchase an affordable unit. The minimum income limits to qualify for a mortgage will be determined by a lender/bank. All applicants must receive mortgage pre-approval and submit it with their application to be considered eligible for this lottery. The mortgage requirements are listed on page 9 of this information packet.

For more information on mortgages, see pg. 9.

Asset Limits

All households shall not have total gross assets exceeding \$75,000 in value. Household Assets are calculated at the time of application. Any monies you would use as a future down payment on the home will still be counted as assets. Assets may include cash, cash in savings and checking accounts, net cash value of stocks, net cash value of retirement accounts (such as 401k), real property, bonds, and capital investments.

Q: I cannot withdraw money from my 401k or retirement fund, do I have to include it when I list my assets?

A: Yes. You need to include the *net cash value* of all your current retirement funds. We realize that most retirement funds assess large penalties for early withdrawal but this does not technically mean that you cannot withdraw your funds or don't have access to them. The post-penalty amount is what you need to provide along with supporting documentation.

Q: Are there eligibility exceptions for households that are barely over the income limit but considerably under the asset limit (or vice versa)?

A: No. All households must be under BOTH the income limit and the asset limit. Eligibility isn't based on only one or the other.

Age Qualified Households, Displaced Homemaker and Single Parent Exception:

Only households qualifying under the exceptions listed on page 4 may own a home when applying. This home must be sold before they purchase an affordable unit (see the "Unit Selection" step in the Step-by-Step process). The amount that the household will retain in equity from the sale of the house will be added to their asset total.

Q: If I qualify for the lottery as an age-qualified household or Displaced Homemaker or Single Parent, how much time will I be given to sell the home?

A: Before you are allowed to reserve a new affordable home, your current home must already be under a P&S Agreement. After the lottery, households will be able to estimate how much time they will have before they need to sell their home based on the lottery results and their positions on the Waiting Lists (i.e. Households near the top of the lists will need to find a buyer immediately, households lower on the lists will have a few more weeks.) Please see the Step-By-Step Process for more details.

MORTGAGE PRE-APPROVAL STANDARDS

Immediately after reading this entire Information Packet, all households should apply for mortgage pre-approval. *Mortgage pre-approval is required with the application.* Households can apply with any lender but the pre-approval must meet the following standards:

Mortgage Standards

- The loan must have a fixed interest rate through the full term of the mortgage.
- The loan must have a current fair market interest rate.
(No more than 2 percentage points above the current MassHousing rate*)
- The loan can have no more than two points.
- The loan cannot be an FHA or VA loan (as FHA and VA will not accept the terms of the Deed Restriction)
- The buyer must provide a down payment of at least 3% - half of which must come from the buyer's own funds.
- If Heads of Household are not married, the names of all Heads of Household must be on the Mortgage

*MassHousing: (617) 854-1000 or www.masshousing.com

We strongly encourage households to apply through banks who are aware of the resale restrictions and guidelines for affordable housing programs. These banks will likely be aware of additional first-time homebuyer programs that may be of great assistance such as the Massachusetts Housing Partnership's ONE Mortgage. The following lenders are familiar with the process and the mortgage requirements and should be happy to help you with questions or pre-approvals.

Any lenders found here: www.mhp.net/one-mortgage/why-one#find-lender

Households will need to bring the copy of the EXAMPLE Deed Rider to their lender. A copy can be downloaded directly off our website at www.s-e-b.com. *All lenders will be made aware of the resale restrictions regardless of whether you tell them up-front or not.* The Deed Rider is a document that will be signed at the closing. Therefore, it is in all household's best interest to show all lenders a copy of the Deed Rider when applying for a mortgage. Otherwise, they may find a lender who grants pre-approval but backs out at the time of purchase once they are made aware of the resale restrictions, thus eliminating the opportunity to obtain an affordable unit.

The lender will ask you for association fees and taxes. The HOA/condo fees are on page 3 of this Information Packet and **taxes are assessed to the affordable price (not the market-rate equivalent).**

Q: Can a non-household member co-sign on the mortgage?

A: No. Only members of the applying household can sign on the mortgage. All monies gifted to household members to assist in down-payment or other costs will be counted as household assets.

HOUSEHOLD SIZE AND COMPOSITION

Q: How is appropriate household size determined?

A: According to the Massachusetts Department of Housing and Community Development guidelines:

Within an applicant pool first (priority) shall be given to households requiring the total number of bedrooms in the unit based on the following **criteria**:

- a. There is at least one occupant and no more than two occupants per bedroom.
- b. A married couple, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- c. A person described in the first sentence of (b) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.

Household size shall not exceed state sanitary code requirements for occupancy of a unit.

In **Step 1b: The Lottery**, you will find a detailed explanation on how priority is given to certain household sizes and compositions. For the purposes of this lottery, Type III household sizes and compositions will be considered “appropriate” (or given priority) for the 3BR units. Type III, II and I are defined as follows:

TYPE III

(Priority for a 3-Bedroom home)

- All 6 person households
- All 5 person households
- All 4 person households
- 3 person household: 1 head-of-household plus 2 members
- 3 person household: 2 heads-of-household under criteria 3 (described above) plus 1 member

TYPE II

(Appropriately sized for a 2BR home but may apply for a 3BR home)

- 3 person household: 2 heads-of-household plus one member
- 2 person household: 2 heads-of-household under criteria 3 (described above)
- 2 person household: 1 head-of-household plus one member

TYPE I

(Appropriately sized for a 1BR unit but may apply for a 2BR or 3BR home)

- 2 person household: 2 heads-of-household
- 1 person household: all types

In “The Lottery” in the Step-By-Step Process, you will find a detailed explanation on how priority is given to certain household sizes and compositions.

Q: Does the unborn child of a currently pregnant household member count towards our household size?

A: Yes. A household may count an unborn child as a household member. You will have to submit proof of pregnancy with all the income and asset documentation that needs to be submitted with your application.

Q: Can a Type II Household apply for a three-bedroom unit?

A: Yes. However, *every applying Type III Household from either pool will be given the opportunity to buy an affordable 3BR unit first.* A Type II Household will be given the opportunity to buy an affordable 3BR unit if there are not enough eligible households from Type III in either lottery pool.

Q: Can a Type I Household apply for a two-bedroom unit?

A: Yes. However, *every applying Type II and Type III Household from either pool will be given the opportunity to buy an affordable unit first.* A Type I Household will be given the opportunity to buy an affordable unit if there are not enough eligible households from Type II or Type III in either lottery pool.

Q: If I am currently going through a divorce/separation or planning on being divorced / separated soon, can I still apply?

A: Your separation or divorce does not need to be finalized when you *apply for the lottery* but it must be finalized *before you sign a Purchase and Sale Agreement* (see the Step-by-Step details). You will not be allowed to purchase an affordable home until your separation or divorce is complete because the terms specifying the allocation of assets and custody of children must be finalized so that your income and asset eligibility can be accurately reviewed. If you have only filed for separation when it comes time to purchase an affordable home and you haven't finalized your divorce, you will not be allowed to purchase a home at that time.

STEP-BY-STEP PROCESS AND TIMELINE

Q: What is the application, selection, and move-in process for the affordable units being offered in Hometown Estates?

A: The process is essentially a two-step process. The following pages explain each step in greater detail.

The first steps all involve qualifying for the Affordable Housing Program and being given a position on the Waiting Lists.

The second steps all involve the actual process of reserving and buying a home (and unit availability will be determined by your position on the Waiting Lists).

Step 1a: Applying for the Housing Program

Through May 7th, 2021

Step 1b: The Lottery

May 19th, 2021

Step 1c: Waiting List

Established the night of the lottery.

Step 1d: Monitoring Agent Approval

Approximately 10 days

Step 2a: Unit Selection and Reservation Agreement

Households given approx. 3 days after Monitoring Agent Approval

Step 2b: Sign Purchase & Sale Agreement

Takes approximately 10 days after the Reservation Agreement has been signed

Step 2c: Obtain Mortgage Commitment

Most banks take approx. 30 days to provide a mortgage commitment

Step 1e: Final Review for Program Eligibility

This is done 3 weeks prior to the closing date

Step 2d: Closing and Move-in

First units ready in Summer 2021

There will also be an Informational Workshop on April 7th, 2021 via YouTube LiveStream <https://youtu.be/8X8vCK8kAYE> and Conference Call – (425) 436-6200, Code: 862627 – where questions about the lottery and the development can be addressed directly. Attendance at the Info Session is **not** required for participation in the lottery.

Step 1a: Applying for the Lottery

Once a household reads this Information Packet in its entirety, they will need to fill out a Program Application. The applying household must include all income, asset, tax documentation as directed by the Program Application for every person that will be living in the home. The Program Application must be signed and dated by all heads of household. A mortgage pre-approval **MUST** be submitted with the application. The Program Application and Required Documentation must be received by the Lottery Agent by 2 pm on May 7th, 2021. All applications should be sent to:

SEB Housing
Re: Hometown Estates
257 Hillside Ave
Needham, MA 02494
Fax: 617.782.4500
Email: info@sebhousing.com

To ensure applications arrive in time, we recommend sending them in at least a week prior to the application deadline. **Late applications will not be accepted- NO EXCEPTIONS!** If you want to ensure your application is received, we recommend sending it by certified mail. The Lottery Agent and other affiliated entities are not responsible for lost or late applications.

Once a completed Program Application is received with ALL Required Documentation, SEB Housing will determine initial eligibility and compliance. If the applicant is determined to be eligible for the Lottery, they will receive an **Application Number** in the order in which their application was completed. The purpose of the Application Number is simply to keep all households' names unknown at the lottery. **The Application Number has no bearing on a household's final Waiting List position.**

Households that are deemed ineligible by the Lottery Agent will be notified by mail (or by email if an email address is provided). Entrance into the Lottery does not guarantee that a household is eligible to buy a home. Please read all of the following steps for further details on the review process.

Q: What happens if I don't submit all necessary documentation or fail to correctly complete my Affordable Housing Program Application?

A: Households that submit incomplete documentation will be mailed a notice detailing the additional documentation that is needed to make their application complete. Their application will remain in an "Incomplete Application Pool" until all requested materials have been received. Households with applications in the Incomplete Application Pool will not be entered into the Lottery.

Age-Qualified Households, Displaced Homemakers and Single Parents that have yet to sell their homes and/or finalize their divorce/separations will be given conditional approval and will be given an Application Number to be entered into the lottery like all other eligible households. They will be required to submit all additional documentation verifying their claims later in the process if they wish to purchase a unit.

Step 1b: The Lottery

The Lottery will be held on May 19th, 2021 at 6 pm. Households do not have to attend the lottery to remain eligible. All results will be e-mailed or mailed to every applying household after the Lottery. There will be 1 drawing in the lottery:

- General Drawing

For the Lottery, a representative from SEB Housing will pull Application Numbers from a box. The Application Numbers are randomly drawn and placed in the order drawn on a **Lottery Result Lists**.

The order drawn does not necessarily reflect the order that households will get to select units as Application Numbers of smaller households are mixed in with Application Numbers of appropriately sized households (see: Household Size and Composition). It is only how a household is drawn relative to other households of similar qualifications that matters.

Regardless of the order drawn, all households of appropriate size for each unit size will be given the opportunity to buy a unit before any smaller household from either lottery pool.

For example: A one-person household (Type I) is the first household drawn in the Lottery. They will be not be given an opportunity to buy a unit until every General Pool Household who is Type II is given an opportunity.

To help clarify the actual order that applicants will be given the opportunity to buy units, Waiting Lists will be created from the Lottery Results List (*see next step*).

Step 1c: The Waiting List

The Waiting Lists will be compiled immediately after the lottery. There will be 2 Waiting Lists created from the Lottery Results List to illustrate the order households will choose units based on household size and order drawn. **The purpose of the Waiting Lists is merely to illustrate the actual order that opportunity will be given. The position each household has on the Waiting Lists is determined by the order in which their Application Number is drawn in the Lottery relative to households of similar qualifications.** Please see “Household Size and Compositions” for details on Household Types.

The Affordable Unit Waiting Lists for Three 2BR homes

Top Tier: All Type II and Type III Households

Bottom Tier: All Type I Households

The Affordable Unit Waiting Lists for One 3BR home

Top Tier: All Type III Households

Middle Tier: All Type II Households

Bottom Tier: All Type I Households

Step 1d: Monitoring Agent Review

Immediately after the Lottery, SEB Housing will send the files of the top households to the Monitoring Agent for program certification. It is ultimately the Monitoring Agent who will determine if a household is eligible and can move forward to the next step of the process. SEB Housing goes through great lengths to ensure that files are complete when sent to the Monitoring Agent but if the Monitoring Agent needs any additional documentation to complete their eligibility review, they will notify SEB Housing and SEB Housing will notify the applicant. The applicant must submit any documentation requested by the Monitoring Agent within 5 business days. Applicants who do not provide additional documentation and applicants that the Monitoring Agent disqualifies will be removed from the Waiting List and lose their opportunity to move forward in this process. Once the Monitoring Agent has certified a household as eligible, they will contact SEB Housing and SEB Housing will direct the household to the next step.

Step 2a: Unit Selection & Reservation Agreement

The top household on each **Waiting List** will be notified by the Lottery Agent when they can move forward with the purchase of any of the available affordable units. When a household is notified, they will be put “on the clock”. When they are “on the clock”, they will be given the contact information for Sales Office and they will have 3 business days to contact the Sales Office and complete a Reservation Agreement.

When a household is at the top or near the top of a Waiting List (and is therefore about to be put “on the clock”), it is recommended that they obtain an attorney (sometimes your lender will enlist the closing attorney to assist) who can assist with the review and execution of the Purchase and Sale Agreement.

The Reservation Agreement is a contract between the applicant and the developer which details what unit has been selected and the time and date when a Purchase and Sale Agreement must be executed (*see next step*). **When a Reservation Agreement is signed, a refundable deposit of \$500 is required.** The deposit is refundable if the buyer is unable to secure a mortgage for the unit.

A household that is “on the clock” can choose from ANY of the available affordable units. If one or more units have been reserved, then the next household “on the clock” will be given the opportunity to reserve one of the remaining affordable homes. The date that a Purchase and Sale Agreement will be executed will be approximately 10 business days from the day the Reservation Agreement fully executed.

The next applicant on the list will then be notified that they are “on the clock” when the applicant ahead of them either signs a Reservation Agreement or 3 business days elapse and no reservation has been signed.

If an applicant fails to sign a Reservation Agreement, their Application Number will be removed from the top of the Waiting List and will be dropped to the bottom. This applicant will not get a chance to sign a Reservation Agreement again until all other applicants on the Waiting List are given a chance. Once the applicant who was dropped to the bottom is given a second chance, they must sign a Purchase and Sale Agreement or they will permanently lose their opportunity to purchase an affordable unit at Hometown Estates through this lottery.

Age Qualified Households, Displaced Homemaker and Single Parent Exception:

Based on the lottery results and their positions on the Waiting List, households will be able to estimate when they are about to reach the top of the Waiting List and will therefore know how much time they will have to sell their home or finalize their divorce/separation. **Households who currently own a home when they applied for the lottery** will need to provide a copy of a signed Purchase and Agreement for their current home to SEB Housing (the Lottery Agent) **before** reaching the top of a Waiting List. **Applicants who were in the process of being separated/divorced when they applied for the lottery** will need to provide a copy of their Divorce Decree or Separation Agreement **before** reaching the top of a Waiting List.

If the above households fail to provide the required documentation before reaching the top of a Waiting List, they will not be put “on the clock” (meaning they will not be able to purchase a unit) and they will be dropped from all Waiting Lists.

Step 2b: Sign Purchase and Sale Agreement

Once a household signs a Reservation Agreement, they will have approximately 10 business days to sign a Purchase & Sale Agreement (P&S) and put down the required deposit. This deposit will be at minimum 1.5% of the sales price minus the \$500 deposited with the Reservation Agreement. The Purchase and Sale Agreement will have the actual closing date on it.

After the Reservation Agreement is signed, the Hometown Estates Sales Team will give the applicant the Purchase and Sale Agreement, the Deed Rider (which should be attached to the P&S), and the Master Deed. You may also have the bank that is offering your mortgage commitment review these documents.

If the applicant fails to sign the Purchase and Sale Agreement by the agreed upon date (or chooses not to sign it), they will be dropped from the Waiting Lists and the next applicant in line will then be notified that they are "on the clock" to sign a Reservation Agreement.

Q: If I reserve a unit (through the Reservation Agreement and/or P&S) and then a unit that was not available when I was selecting my unit becomes available (ex: a household who had reserved a unit with a Reservation Agreement never signs their P&S or a household fails to close on a unit), can I "switch" my unit for this newly available unit?

A: No. If you are given the opportunity to reserve a unit, you are allowed to pick from all the available units at that time. It does not entitle you to pick any unit that may become available at any point in the future (specifically because another household was unable to close). Once you have reserved your unit, you may not swap that unit for another unit.

Step 2c: Obtain Mortgage Commitment

Mortgage pre-approval does not ensure a mortgage commitment. Once a household has a signed Purchase and Sale Agreement, they will need to go back to their lender that issued them their pre-approval letter and obtain a Mortgage Commitment. This process will begin immediately after signing the P&S. Households do not need to go back to the same lender that gave them their pre-approval letter but it is recommended.

If a household fails to obtain a Mortgage Commitment by the mortgage contingency date in their Purchase and Sale Agreement, their deposit will be refunded and they will be dropped from all Waiting Lists.

Please note that each lender will handle the Mortgage Commitment differently and this packet only serves as a guide through this process. Generally, the lender will want to see the Purchase and Sale Agreement, the Master Deed, the Condominium Documents and the Deed Rider. They will also do an appraisal of the property once the property is ready to move into. Once the appraisal is complete, the household will be able to close on the home.

Step 1e: Final Review for Program Eligibility

Before a household can close on their affordable unit, SEB Housing must do a final review of the household's eligibility income and asset eligibility and the Monitoring Agent must do a review of the household's mortgage eligibility in order to prepare the Resale Price Certificate and Deed Rider that must be recorded at the closing.

It is therefore essential that all households continue to maintain records of all income and assets until they close on their affordable unit **and maintain program eligibility!**

One month prior to the closing date, households will need to complete a Final Review Application and submit all recent income and asset documentation to SEB Housing. SEB Housing will review the Final Review Application and determine if the household is still eligible according to affordable housing program guidelines. If a household is no longer eligible (over the allowable income and asset limits), the household will not be able to purchase an affordable unit.

Additionally, approximately 1 month prior to closing, households must submit a copy of the MORTGAGE COMMITMENT LETTER from the buyer's lender including interest rate, points, length of loan, and annual percentage rate.

SEB Housing will forward the final package of documentation to the Monitoring Agent 30 days prior to the closing date. They will review the P&S, Master Deed and mortgage. They will then mail and fax the Resale Price Certificate to the developer's closing attorney who will then complete the Deed Rider to record at the closing.

Age Qualified Households, Displaced Homemakers and Exempt Single Parents that are current homeowners will not be able to receive a Resale Price Certificate until they have sold their home. Once their home is sold, they will need to send their Closing Disclosure Form (formerly the HUD-1 form) (received at closing) to the Monitoring Agent along with all of the above documentation. The Monitoring Agent will then perform a final review of their eligibility to ensure that the household did not exceed the established limit of \$75,000 including net proceeds from the sale of their home. If the household remains asset eligible, and all the above documentation is in order and meets program guidelines, the Monitoring Agent will issue a Resale Price Certificate.

Step 2d: Closing and Move-in

The Purchase and Sale Agreement will set the Closing Date. If all the steps above are followed, the closing should go smoothly. Your lender and lawyer will be able to guide you with all the steps starting with the Reservation Agreement.

Once you have closed on the unit, you may move in. Additionally, once you have closed on the unit, there is NO future income or asset eligibility reviews.

DEED RIDER SUMMARY/ PROPERTY RESTRICTIONS

This is not the Deed Rider. The actual Deed Rider will be prepared by the Monitoring Agent and the Closing Attorney and provided on the day of each home closing. A copy of an Example Deed Rider will be on the SEB Housing website.

The purpose of this *summary* is intended to be informational only and it is not a substitute for independent legal advice. It is intended to highlight some of the obligations a purchaser will have upon resale. The Deed Rider is an especially important legal document; in part it ensures that the home remains affordable for future buyers of your property. Purchasers are encouraged to read carefully and to seek legal counsel to have a full understanding of their obligations of the Deed Rider in its entirety.

All of the deeds for the homes designated as affordable will have a deed rider, which you will be required to sign. The rider in part will ensure that the home will stay affordable in perpetuity.

Assuming you qualify, you will be given an opportunity to purchase a home at a substantial discount (“the affordable price”) of the property’s fair market value.

However, significant deed restriction provisions must be observed:

PRINCIPAL RESIDENCE

To occupy the home as a principal residence, where you regularly live, eat, sleep, are registered to vote, etc. You may not rent or lease your home.

REFINANCING

You may refinance your home without the prior written consent from The Monitoring Agent and the Town.

CAPITAL IMPROVEMENTS

In order to be considered and added to the resale price, capital improvements must be pre-approved by The Monitoring Agent . Capital improvements are defined as necessary maintenance improvements, not covered by a condominium or homeowner association fee, that if not done would compromise the structural integrity of the property. Examples of necessary capital improvements include new roof, heating or plumbing replacement, repair due to termite or water damage, etc. Improvements such as the installation of outdoor decks, flooring (except in cases of replacement due to damage or long-term wear), additions, garages, landscaping, and other items identified by the owner that are upgraded or luxury improvements will not be considered capital improvements and cannot be added to the resale price when the property is sold.

NOTICES WHEN SELLING YOUR HOME

When you wish to sell your home, you must notify the Town and The Monitoring Agent. This notice is referred to as the "Conveyance Notice" in the Deed Rider. The Monitoring Agent will then calculate the Resale Price Multiplier (see below) and the Maximum Resale Price.

MAXIMUM RESALE PRICE

The Maximum Resale Price is limited by the percentage change in the Area Median Income (AMI), with adjustments for pre-approved capital improvements, marketing costs, and the Resale Fee, **where inclusion of such expenses would not result in the Maximum Resale Price exceeding 30% of the annual income for a 5-person household earning 70% of the Area Median Income.**

As an example only, the maximum resale price is calculated assuming a base number (most recent published Area Median Income as determined by HUD). At the time of initial sale the AMI is \$ 95,500 (A) and the initial sales price is \$ 200,000 (B) the Resale Price Multiplier would equal $B/A = (C) = 2.094$. Upon resale, assuming the base number has increased to \$ 99,300 (D).

The Maximum Resale price (E) would then be:

Base number (D) x Resale Price Multiplier (C) = \$99,300 x 2.094= \$207,934 (E)

If there have been capital improvements pre-approved by THE MONITORING AGENT (ex. new roof, \$5,000), the Maximum Resale Price would be:

$(E) + \text{Approved Capital Improvements} = \$207,934 + \$5,000 = \$212,934$

Please note that the Deed Rider requires that the Maximum Resale Price must still be affordable (cannot exceed 30% of the annual income for a 5-person household earning 70% of the Area Median Income). The monitoring agent will add a resale fee not exceeding 2.5% of the resale price as the new resale price for the next buyer. This must still stay affordable.

RESALE PROCESS

Once the Town of Swansea and The Monitoring Agent receive the notice to sell, The Monitoring Agent will attempt to find an Eligible Purchaser (a homebuyer whose income is at 80% of the Base Area Median Income and who meets the asset limit) within 90 days. The Town or The Monitoring Agent can also decide within those 90 days to purchase the home.

If an Eligible Purchaser is found within the 90-day period, a Compliance Certificate will be issued to the new purchaser. The certificate states that the sale complies with the Deed Rider.

If an Eligible Purchaser is found within 90 days, but that buyer cannot obtain financing or is otherwise unable to purchase the home, the sale timeframe can be extended additional 60 days.

If 120 days pass from the date of the Conveyance Notice, and an Eligible Purchaser cannot be found, and neither the Town nor The Monitoring Agent wants to purchase the home, the home may be sold for the Maximum Resale Price to an Ineligible Buyer at the Maximum Resale Price, who will also have to sign a Deed Rider, ensuring the home will still be subject to all the same rights and conditions.
